

# Presentation of DAI project : BIM

<small>Dylan Langumier & Raphael Perret</small>

# Our project

- works with simple bmp files
- applies a variety of filters with many parameters
- simple CLI tool

# Example 1

```
java -jar target/DAI-filters-1.0-SNAPSHOT.jar -f COLOR_INTENSITY  
test_images/desert.bmp test_images/desert_200_color.bmp 200  
apply
```

# Example 2

1. ADJUST\_COLOR 150 20 20 250
2. MOVING\_AVERAGE 2
